The UW Tacoma campus is located on Pacific Avenue in downtown Tacoma across from the Washington State History Museum and Union Station.

Please note that ongoing construction on I-5 around the City Center exits frequently changes the best route to campus. We advise checking your route with a mapping app before you leave to find the best route.

From I-5 Southbound (coming from Federal Way or Seattle): Take Exit 135 to Portland Avenue and stay to the right. Turn right onto Portland Avenue. Then after the next light, turn left to merge onto SR509 to City Center. Continue through the light at Pacific Avenue and the campus will be on your right.

From I-5 Northbound (coming from Lakewood or Olympia): Take Exit 132 to SR16/S. 38th Street and stay in the righthand lane. Just before the exit curves to join SR16, take the righthand ramp marked "I-5/Downtown Tacoma". Stay in that lane to reach the exit for I-705/City Center. From I-705 take the South 21st Street exit. Turn left at the traffic light onto 21st Street. Go through the light at Pacific Avenue and the campus will be on your right.

Public Transportation: A number of Pierce Transit and Sound Transit bus routes stop on campus. The free Link light-rail train stops in front of campus at the 19th Street/Union Station stop.

Parking: There are several pay parking lots on campus. Most street parking around campus is metered and limited to 90 minutes.
