HOW TO BECOME A HUSKY VOLUNTEER

Ongoing Service

If you serve now or want to serve your community in the future you can count volunteer service toward a Husky Service Medallion. For **regular and consistent** service work with any community organizations please be sure to log and register your hours:

1. Attend an **Orientation To Service meeting** by signing up at tacoma.uw.edu/CSLevents or by appointment through CSLuwt@uw.edu / 253 692 4429
2. Fill out the attached Service Registration Form
3. Log your hours at www.tacoma.uw.edu/HuskyVolunteer

One-Time Service

Many **one time** service events can be counted toward a medallion so long as it is not paid, serves a cause greater than yourself and can be verified by a supervisor. **A registration form for onetime service is NOT required.** All you need to do is follow two simple steps:

1. Attend an **Orientation To Service meeting** by signing up at tacoma.uw.edu/CSLevents or by appointment through CSLuwt@uw.edu / 253 692 4429
2. Log your hours at www.tacoma.uw.edu/HuskyVolunteer

****Students can count ongoing & one-time service toward a husky service medallion****

****ALL Service Medallions are awarded in May of your senior year****

Service Registration Form

Both Husky Volunteers and/or LEAD & CEL students will use this form to register their service site.

Husky Volunteers will be recognized at graduation with a service medallion for their commitment (Silver: 100-200hrs.; Purple: 200-300hrs.; Gold 300+.) If you wish to count ONE-TIME service events toward your total volunteer hours, you do NOT need to fill out this registration for THAT specific event. Once this form is completed ALL service hours must be logged at: <http://www.tacoma.uw.edu/volunteer>

LEAD/CEL students must 1st register their service site for ongoing community work. Community work is classified as work that works toward meeting a community need, involves a team and who's purpose works for more than just the participants monetary gain. For questions please contact csluwt@uw.edu
