Who is Planned Parenthood Votes?:

Planned Parenthood Votes Northwest and Hawaii (PPVNH) is an independent, non-partisan organization educating people in the Northwest and policy-makers about reproductive rights. The mission of PPVNH is to encourage and protect informed individual choice regarding reproductive health care, advocate for public policies that guarantee the right to choice and full and nondiscriminatory access to reproductive health care, and foster and preserve a social and political climate favorable to the exercise of reproductive choice through voter education, candidate endorsement, and other means.

Opportunities:

As a volunteer:

Attend community outreach events, participate in voter education and mobilization through phone banks and canvasses, all with the goal of increasing support and access for reproductive rights.

As an intern:

Be a leader in your community. Help coordinate outreach and voter education events, recruit and schedule volunteers, assist with grassroots organizing, and more. Interns will learn community organizing and campaign tactics to work towards progressive and systemic social change.
