TRANSFER CREDITS

A student working toward the master's degree may petition the Education Program for permission to transfer the equivalent of a **maximum of 6 quarter credits of *graduate level course*** work taken while a registered graduate student in another regionally accredited graduate school. **These credits may not have been used to satisfy requirements for another degree.** The petition must include an official transcript indicating completion of the course work. Transfer credits are not entered on the UW transcript.

Approved transfer credits are applied toward total credit count for the master's degree only. (Transfer credits are not applicable toward a doctoral degree.) The 18 quarter credits of numerically graded course work and 18 quarter credits of 500-level-and-above course work may not be reduced by transfer credit.

Credit taken as a non-matriculated student or post-baccalaureate student at the University of Washington may not be transferred into a graduate program. Credit by either independent study through correspondence or advanced credit examinations is not transferable.

Please contact an Education Program Advisor for assistance.
