GWP 215

Attendance: Donald Chinn (Chair), Katie Adamson, Chris Demaske, Rupinder Jindal, Matthew Weinstein, Anne Wessells

1. The minutes from February 11, 2013 were approved.

**2. Support for the Lecturer Affairs committee**

The committee discussed the revised versions of the two documents (one concerning the evaluation of Lecturers and one concerning a space for part-time Lecturers). In general, although the committee understood the urgency of these issues and felt the Lecturer Affairs committee is doing good work, it was perhaps producing documents faster than a deliberative body such as Faculty Affairs could digest and reflect on them. In particular, the general sentiment was that an approval by the committee would not reflect the thoughts of the faculty as a whole if it did not present it to individual programs.

It was decided that each committee member present the two documents to their respective programs for feedback before approving them.

**3. The meeting adjourned at 1:30pm.**
