

**CURRICULUM VITAE
CLAUDIA SELLMAIER**

Education

- 2015 Ph.D. Social Work and Social Research, *Portland State University, OR*
2006 M.A. Intercultural Conflict Management, *Alice Salomon University, Berlin, Germany*
2002 M.S.W. (Diplom) Social Work, *Otto-Friedrich-University, Bamberg, Germany*

Academic Appointments

- 2018 - **Assistant Professor:** Social Work and Criminal Justice University of Washington, Tacoma
2015 – 2018 **Lecturer:** Social Work and Criminal Justice University of Washington, Tacoma
2014 - 2015 **Adjunct Faculty:** School of Social Work Portland State University

Funded Research

- 2021 - **Claudia Sellmaier**, Michael Clarkson-Hendrix, and Lauren Wernick: CSWE special projects funding for photovoice inspired research examining the experiences of social work students, faculty and staff with disabilities.
- 2020 - **Claudia Sellmaier:** International study using in-depth interviews to understand the work-life and care experiences of parents of children with disabilities in Gemrnay.
- 2019 - JaeRan Kim and **Claudia Sellmaier:** Survey examining the employment, and service experience of adoptive parents of disabled children.
- 2017 - **Claudia Sellmaier** and JaeRan Kim: Social work educators working with students with disabilities. This project develops first a theoretical understanding of how working with social work students with a diverse set of abilities can be situated within the social justice mission of social work. Second, this project investigates educators' and students' experiences of inclusive teaching and learning practices.
- 2016 – 2019 Pathways Transition Training Partnership of the Research and Training Center for Pathways to Positive Futures: Community Living and Participation for Youth and Young Adults with Serious Mental Health Conditions. Eileen Brennan (co-PI), Pauline Jivanjee (co-PI), Leigh Grover, **Claudia Sellmaier (investigator)** [National Institute of Disability and Rehabilitation Research Grant, H133B140039, Janet Walker, Principal Investigator]. Research assesses Transition Service Provider Competency Scale and evaluates the online training Pathways to Positive Futures for young adults with mental health issues.
- 2014 – 2015 Pathways Transition Training Partnership of the Research and Training Center for Pathways to Positive Futures: Community Living and Participation for Youth and

Young Adults with Serious Mental Health Conditions. Eileen Brennan (co-PI), Pauline Jivanjee (co-PI), **Claudia Sellmaier (research assistant)** [National Institute of Disability and Rehabilitation Research Grant, H133B140039, Janet Walker, Principal Investigator]. Development, testing and evaluation of online training modules with community partners in experimental KT study.

2011 – 2014 Pathways Transition Training Collaborative of the Research and Training Center for Pathways to Positive Futures: Supporting Successful Transition for Youth and Young Adults with Serious Mental Health Conditions. Eileen Brennan (co-PI), Pauline Jivanjee (co-PI), **Claudia Sellmaier (research assistant)** [National Institute of Disability and Rehabilitation Research Grant, H133B090019, Janet Walker, Principal Investigator]. Face-to-face and online training development and evaluation, development and testing of the Transition Service Provider Competency Scale.

2014 Balancing Work and Family Responsibilities: A Toolkit for Parent Support Providers Project of the Research and Training Center for Pathways to Positive Futures of Portland State University in Portland, OR supported through the National Technical Assistance Center for Children’s Behavioral Health (HHSS280201300002C and H133B040038; H133B090019). Eileen Brennan (co-PI), Julie Rosenzweig (co-PI), **Claudia Sellmaier (investigator)** Development of a training manual, slide presentation, and training script.

Research Projects (Unfunded)

2021 - **Claudia Sellmaier**, Nina Erdmann, and Johannes Kloha: International project examining field practicum and field supervision in the context of professional development of social work students.

2020 - **Claudia Sellmaier**, Lisa Stewart, Eileen Brennan, and Lisha Shrestha: Examining the effects of formal and informal community supports on employment and resilience of immigrant families caring for children with disabilities using the 2018 National Survey of Children’s Health.

2017 - **Claudia Sellmaier**, Eileen Brennan, Lisa Stewart, Ana-Maria Brannan: Experiences of work-life fit and employment stability for caregivers of children with special health care needs using the National Survey of the Changing Workforce.

2013 – 2017 Ana Maria Brannan, Eileen Brennan, **Claudia Sellmaier**, and Julie Rosenzweig: Assess work-life integration among caregivers of children with emotional and behavioral disorders using the National Evaluation of the Comprehensive Community Mental Health Services for Children and Their Families Program. Data obtained through a cooperative agreement between project evaluators ICF Macro, Indiana University, and Portland State University.

- 2016 - 2017 **Claudia Sellmaier (PI)**: Evaluation of a permanent supportive housing intervention in Washington State.
- 2012 – 2016 Parents and Children Together (PACT) Eileen Brennan (co-Investigator), **Claudia Sellmaier (Investigator)**. Nurse case management intervention for families with children with ADHD. [Judith Kendall, Principal Investigator, Oregon Health & Science University, NIMH R01 NR005001-04A2]. Investigation of employment patterns and work-life fit for mothers caring for children with ADHD diagnosis.
- 2012-2013 Leslie Hammer (co-PI), **Claudia Sellmaier (research intern)**. Work, Family, & Health Network funded by The Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD), Centers for Disease Control & Prevention (CDC), National Institute for Occupational Safety & Health (NIOSH), National Institute on Aging, The Office of Behavioral and Social Sciences Research (OBSSR). Qualitative data analysis of supervisor interviews.
