

AUTHORIZATION FOR REPEAT BACKGROUND CHECKS AND DISSEMINATION OF RESULTS / HSIP ACKNOWLEDGEMENT

BACHELOR OF ARTS IN SOCIAL WELFARE | UNIVERSITY OF WASHINGTON TACOMA

PART I: AUTHORIZATION FOR REPEAT BACKGROUND CHECKS AND DISSEMINATION OF RESULTS

I authorize repeat background checks and dissemination of my self-disclosure information, background check results, and conviction records to clinical training sites, whether in or outside the state of Washington, and as deemed necessary by the UW Tacoma BASW Program during the completion of my academic program. I understand that the University of Washington will provide the records listed above only with the condition that the receiving party or parties will be notified by the University that they may not disclose the information to other parties, in a personally identifiable form, without my further consent unless the other parties are otherwise eligible under federal or state law to receive the records. I further understand that any statements that I have placed in my records commenting on contested information contained in the records listed above will be released along with the records to which they relate. The Authorization for Repeat Background Checks and Dissemination of Results form must be signed.

DISSEMINATION OF SELF-DISCLOSURE INFORMATION, BACKGROUND CHECK RESULTS, AND CONVICTION RECORDS

These records are provided to you pursuant to the above release signed by [student] with the understanding, and on condition that, you not release these records to any other person or institution or entity without the further consent of [student].

PART II: ACKNOWLEDGEMENT OF UW HEALTH SCIENCES IMMUNIZATIONS POLICY (HSIP)

The University of Washington Health Sciences Center requires that its students show documentation of protection against a number of vaccine-preventable diseases. The University of Washington Seattle School of Social Work falls under the umbrella of UW Health Sciences and therefore all UW Tacoma BASW students must comply. New students admitted to the BASW Program must submit appropriate documentation within a specific timeframe. New students will be advised of specific submission deadlines upon admission, but generally all documentation must be supplied prior to entering the BASW program. The following immunizations and verifications are REQUIRED for all BASW students. No student will be permitted to enter any practicum site until all immunization verification is submitted and verified by the Health Sciences Immunization Program (HSIP). Students must document immunization verification to Measles (Rubeola), Mumps, Rubella, Hepatitis B, Tetanus-Diphtheria-Pertussis, Varicella (chicken pox), COVID-19, seasonal influenza, and have a current TB screening. Due to the nature of health professions training programs, exemptions are rarely granted and only in alignment with CDC recommendations, HSIP policy, and University policy and practice. All requirements are subject to change without advance notice.

I acknowledge that I have read the above, and understand that compliance with HSIP is a required component of enrollment in the BASW program.
