## **December Connection**

Our first in person connection was a complete success. Thank you to everyone who was able to attend both in person and virtually. Pictured are all of our participants and our award winners. At the top is Most Aesthetic, in the middle is our tallest creation, and at the bottom we have Most Original. We also met Robb Krehbiel from Depave Puget Sound who introduced us to this year's service project. Robb explained the different ways we can assist Depave. Each of you will receive a copy of Robb's presentation Please fill out the attached survey to let me us know what areas you are most interested in and we will set up our future meetings with Robb to focus on your

specific interests with Depave.
