Welcome Days

Sponsored by:
- Center for Student Involvement
- Office of New Student & Family Programs
- UW Tacoma Campus Services
Go Dawgs! Welcome!

Whether this is your first quarter or not, our campus resources and departments are excited to have you as a member of our pack and have prepared an amazing calendar of events, activities, and opportunities to showcase how you can benefit from them. Welcome Days is your chance to get your first interactions with resources, departments, and services, as well as your fellow students, faculty members, and staff.

Throughout this brochure, you will be able to find an assortment of events, categorized into different portions of our program that will help you connect, learn, socialize, and succeed at the University of Washington Tacoma. You will also find access to links and QR Codes that will bring you right to campus resource and service websites.

Make sure to dig as much into the Welcome Days calendar as you’re able to. Our goal is to make sure you feel welcome on campus and that can happen at any time throughout the Spring Quarter. Use this brochure to find an activity to attend, connect with its host and the attendees, and explore whatever your interests, passions, or needs may be. At UW Tacoma, all of our departments are here to support you in becoming the Husky you were always meant to be; you belong here!

Never hesitate to reach out to our services for support and have a tremendous spring quarter at the University of Washington Tacoma.

Sincerely,

Monika Anonuevo

Events within the "Connect" category will allow you to weave meaningful threads between yourself, campus, and the greater Tacoma area community. These events will help you to find and fortify connections with on-campus and off-campus groups and resources, making you a connected part of our UWT community.

Events within the "Learn" category are intended to enhance your out-of-the-classroom learning. How do I develop study skills? What does the Lushootseed around campus mean, and why does it matter that this language is painted here? Join these events to expand your learning and understanding of yourself and the world around you.

Events within the "Socialize" category will give you the opportunity to casually interact with your peers and classmates, make some new friends, and to just have some fun! For us at UW Tacoma, socialize means to have fun and to play in community with your peers!

Events within the "Succeed" category will empower you on your journey throughout your UW Tacoma experience, giving you the tools you need to achieve your goals! These events will prepare you for the rigor of college academics; enhance your study, writing, and reading abilities; and get you ready for your career.
WELCOME
