

Empowering Impoverished Children Through Support & Education

Amanda Sides
Accounting Major
Professor Griesse
University of Washington Tacoma

Global Perspective

- Children living in poverty is a global issue.
- Definition of poverty
 - Absolute definition
 - Relative definition
 - Redefined
- Better understanding of how poverty affects children
- Allows for a better understanding and solutions

Child relative income poverty rates, 2014

Note: Poverty threshold at 50% of the median disposable income

Thesis & why this subject is important to me

- Exploring the issues revolving around child poverty.
- How we can empower these kids through support and education.

- A bit about me and why this is so important
 - First Generation College Student
 - Single Parent Impoverished Home
 - Lack of directional help to reach goals

<https://www.hercjobs.org/mentoring-tips-how-to-find-keep-and-be-a-mentor/>

Framing the Issue

- The complexity of the issue:
 - Across different age groups different issues develop.
 - The break down of the issues by age brackets.
 - Researching and assigning main components.
 - Working through each main component to find solutions.
 - Developing a plan with the solutions found.

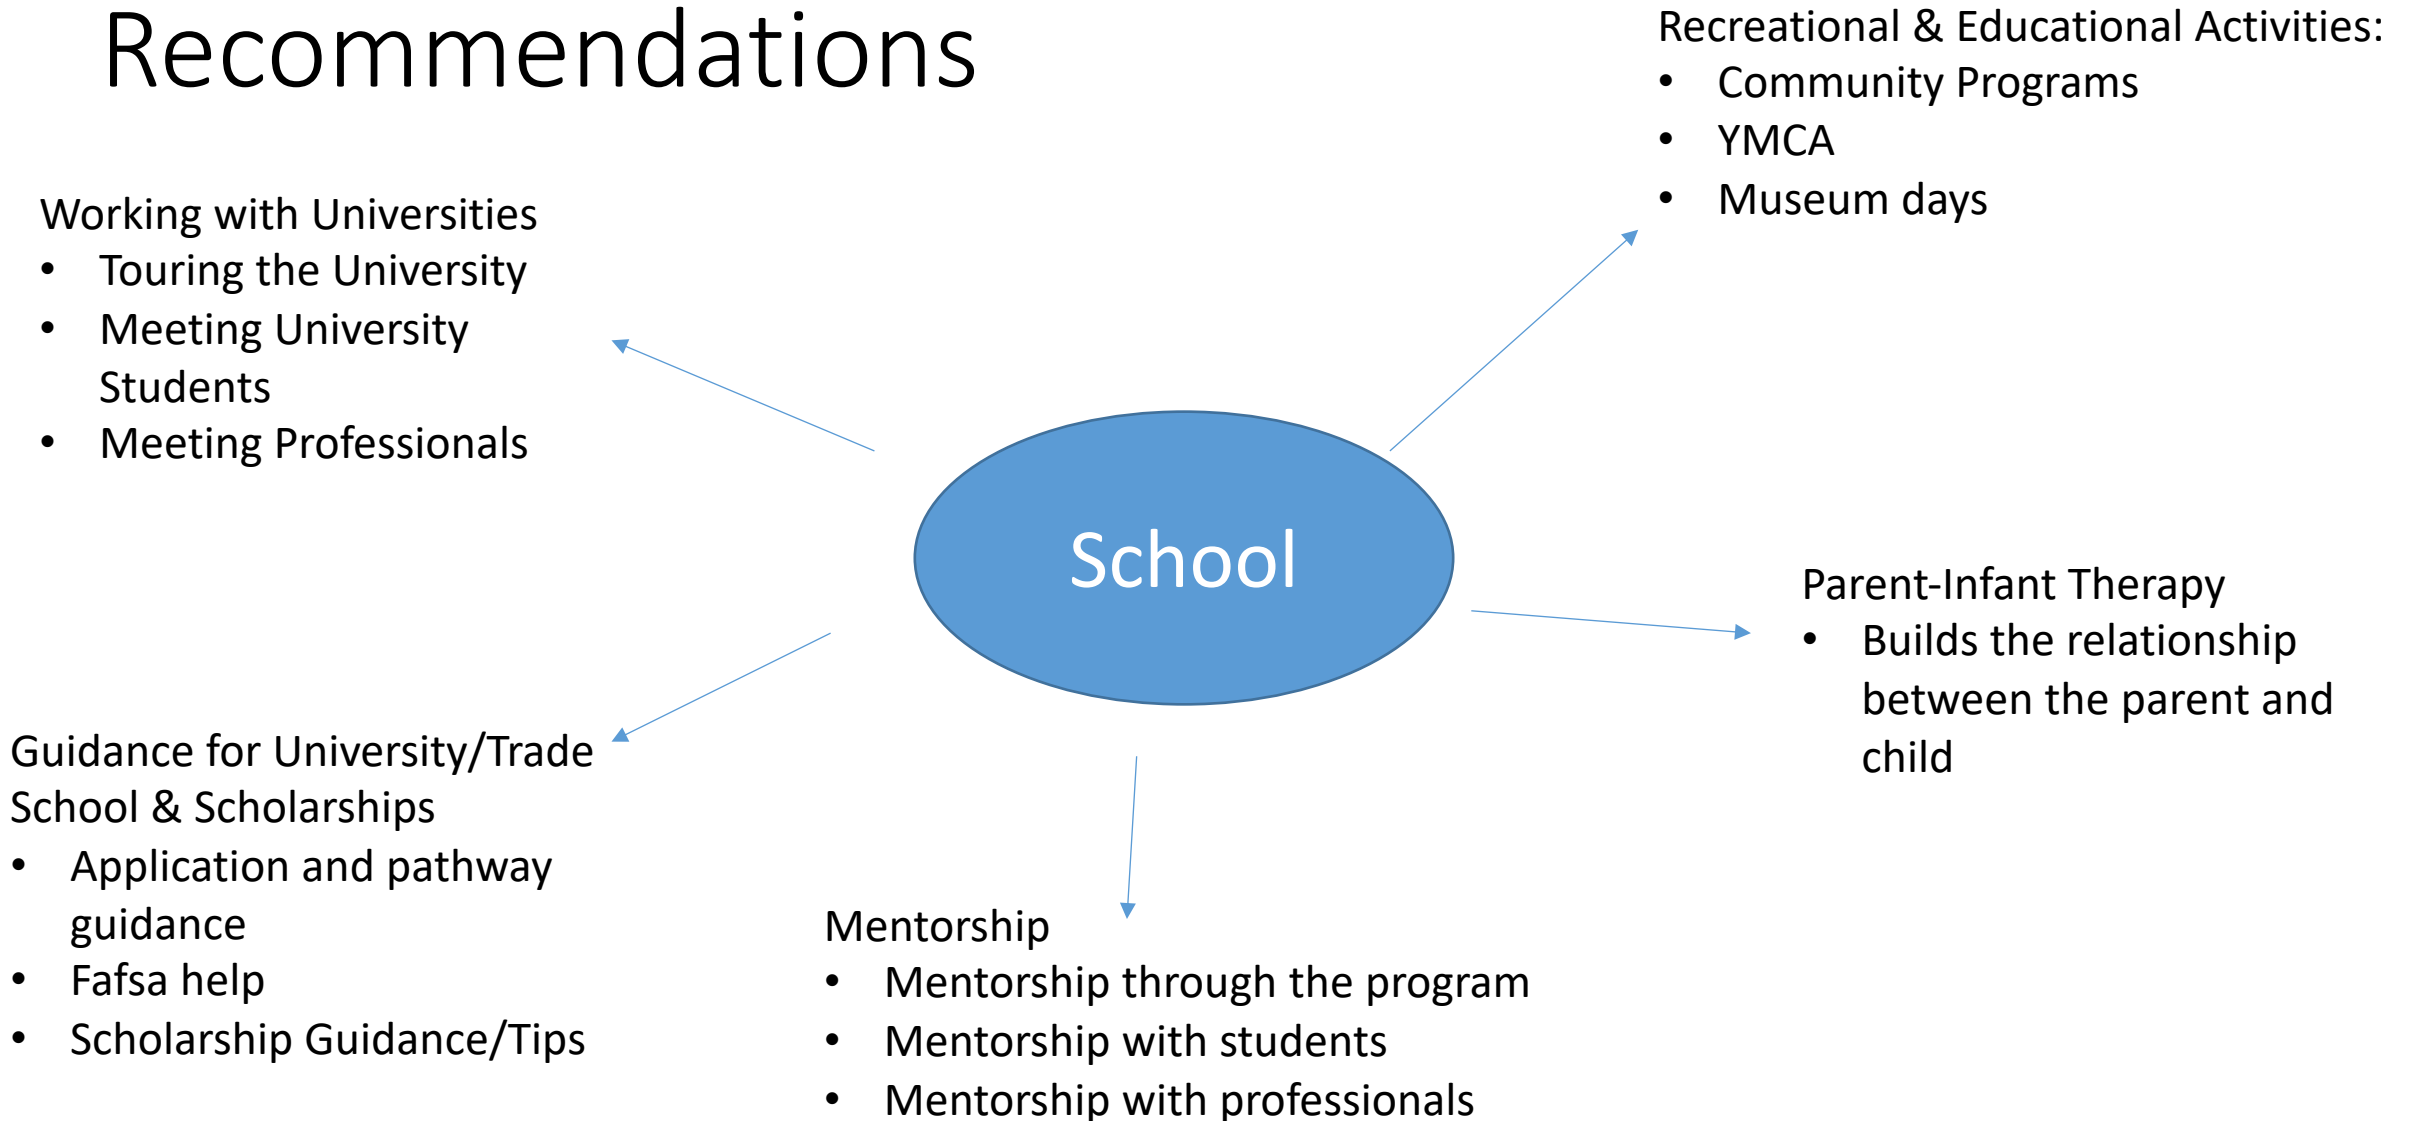

Recommendations

- **Preschool through Elementary School Age (3-10 years)**
 - Parent-infant Therapy
 - Recreational & Educational Activities
 - Touring the University
- **Middle School Age (11-13 years)**
 - Recreational & Educational Activities
 - Mentorship
 - Meeting University Students & meeting professionals
- **High School Age (14-18 years)**
 - Guidance for University/Trade School & Scholarships
 - Mentorship
 - Recreational & Educational Activities

Recommendations

Thank you!
