

## Mechanical Engineering Committee Meeting

May 13, 2022

Virtually via Zoom

Agenda items:

- Vote on prior meeting minutes.
- Teaching and Research shares. Try to bring one cool item to share with the team.
- Enrollment Update (12 accepted, 6 admitted/pending). Recruitment ideas?
- Budget discussion/timeline for new equipment and hiring.
- Discuss/Vote on moving forward direct admissions for mechanical engineering. This would be no more than 15 students per year for the first round of the program. [Details of the proposal.](#)
- Course change updates and planned new classes. Need to vote on a [new elective for research methods course.](#)
- Review new performance indicators proposed for ABET outcomes 1&2 for assessment this spring.
- Scholarship planning/discussions/updates (Raj has asked us to discuss at each meeting)
