The Bachelor of Science in Information Technology (IT) requires a separate major application that cannot be submitted until a student is admitted to UW Tacoma. There is a required cumulative prerequisite GPA of 2.5, with a minimum 2.0 in each individual prerequisite course. Students must have at least 45 transferable credits completed before enrolling in the major. Transfer students at Washington State community colleges are encouraged to pursue the Associate in Science - Transfer Track 2 to meet major admission requirements.
