Course Description:

Builds on previous field work in the context of practice in an area of specialization. Develops specific, integrative social work knowledge and skills under supervision of an experienced professional at an approved practicum site. Achieves capacity for autonomous practice. Credit/no-credit only.

Course Overview:

The Specialization Practicum is structured to support students in achieving the goals of the MSW Integrative Practice curriculum. Practicum teaching is conducted by professional social work practitioners selected by agencies and approved by the faculty of the School of Social Work. As part of the total MSW curriculum, the Specialization Practicum provides students with an opportunity for building on generalist knowledge, skills and competencies through practice in an area of specialization. Graduate Students in the MSW Specialization Practicum are expected to meet and attain mastery of the Competencies and accompanying Behaviors as required by the Council on Social Work Education (CSWE). During the specialization year, students work towards autonomous practice by graduation under the supervision of an experienced Master's Level Social Worker trained as a Field Instructor.

Field Faculty from the MSW program will: (1) visit the agency at least twice during the practicum; (2) provide information regarding university expectations of the practicum; (3) assist

with the development of the educational contract and/or evaluation if requested; (4) answer questions from the Field Instructor and student about the Social Work Program's educational programs and policies; (5) review and approve the educational contract and quarterly evaluation and submit a final grade (Credit/No Credit only).

Learning Objectives:

Learning Objectives for T SOCW 525 consist of the nine Competencies prescribed by the Council on Social Work Education:

- 1) Demonstrate ethical and professional behavior
- 2) Engage diversity and difference in practice
- 3) Advance human rights and social, economic, and environmental justice
- 4) Engage in practice-informed research and research-informed practice
- 5) Engage in policy practice
- 6) Engage with individuals, families, groups, organizations, and communities
- 7) Assess individuals, families, groups, organizations, and communities
- 8) Intervene with individuals, families, groups, organizations, and communities
- 9) Evaluate practice with individuals, families, groups, organizations, and communities

Specialization Competencies and Behaviors

The Specialization Practicum is structured to support students in achieving the goals of the Integrative Practice concentration of the UWT MSW Program. Students and their Field Instructor will identify individualized Learning Activities within the agency setting designed to help students with practice behaviors and to achieve competencies as determined by the Council on Social Work Education. They should be negotiated according to student interests and learning goals, agency need, and coursework requirements. Progress in achieving competencies will be evaluated quarterly.

These Competencies and related Behaviors are embedded in the T SOCW 525 Learning Contract and quarterly Evaluations. Regular and focused supervision around the attainment of the Competencies facilitates the integration of theory and practice, as classroom concepts and coursework also teach to these competencies.

COMPETENCIES AND PRACTICE BEHAVIORS FOR INTEGRATIVE PRACTICE:

Competency #1: Demonstrate Ethical and Professional Behavior

- a) understand and identify the role of a social worker in cross-disciplinary settings.
- b) identify opportunities to assume leadership roles in the creation, implementation, and/or evaluation of research-informed intervention programs.

- c) apply social work ethical principles to the design, implementation, and/or evaluation of research informed intervention programs.
- d) engage in reflective practice.

Competency #2: Engage Diversity and Difference in Practice

- a) recognize and manage personal biases as they affect the professional relationship in the service of the clients'/constituents' interests.
- b) understand the many forms of diversity and difference and how these influence the relationship with clients/constituents.

Competency #3: Advance Human Rights and Social, Economic, and Environmental Justice

- a) articulate the potentially challenging effects of economic, social, cultural and global factors on client/constituent systems.
- b) advocate at all practice levels for the creation and implementation of intervention programs that promote social and economic justice and diminish disparities.
- c) act as a change agent to promote social, economic, and environmental justice and diminish the impact of injustices.

Competency #4: Engage in Practice-Informed Research and Research-Informed Practice

- a) apply critical thinking to evidence-based interventions and best practices.
- b) contribute to the theoretical knowledge base of the social work profession through practice-based research.

Competency #5: Engage in Policy Practice

- a) recognize the interrelationship between clients/constituents, practice, and organizational and public policy.
- b) collaborate with colleagues, clients/constituents, and others to advocate for social, economic, and environmental justice to effect policy change.

Competency #6: Engage with Individuals, Families, Groups, Organizations, and Communities

- a) engage collaboratively with agency and community partners in developing programs to address a range of human and societal needs
- b) demonstrate the skills required for effectively engaging with clients/constituents
- c) collaborate with multidisciplinary colleagues in program design and development

Competency #7: Assess Individuals, Families, Groups, Organizations, and Communities

- a) collect and organize data, and apply critical thinking to interpret information from clients and constituencies
- b) apply knowledge of human behavior and the social environment and other theoretical frameworks in assessment

- c) develop mutually agreed-on intervention goals and objectives based on strengths, needs, and challenges within clients and constituencies
- d) select appropriate intervention strategies based on assessment, research knowledge, values, and preferences of clients and constituencies

Competency #8: Intervene with Individuals, Families, Groups, Organizations, and Communities

- a) apply knowledge of the social constructions, dimensions, and intersections of the multiple aspects of human diversity to the implementation of research-informed interventions
- b) identify, evaluate, and select effective and appropriate intervention strategies
- c) develop and implement collaborative, multidisciplinary intervention strategies
- d) engage diverse groups appropriate to the area of focus in the design of intervention programs

Competency #9: Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities

- a) apply research skills to the evaluation of intervention programs
- b) identify and utilize appropriate evaluation tools for specific interventions

Course Readings:

The student should read, remain familiar with, and abide by the MSW Practicum Manual. The manual is available at the practicum website: <https://www.tacoma.uw.edu/swcj/msw-field-education>. Students are expected to be familiar with all content located at the website as well.

Specialization Practicum Schedule:

MSW Specialist Practicum students complete 17 credits of T SOCW 525 for a total of 680 hours. Generally, these credits and hours will be completed as follows:

Summer quarter of 2nd year: 3 credits
Autumn quarter of 3rd year: 4 credits
Winter quarter of 3rd year: 5 credits
Spring quarter of 3rd year: 5 credits

In some cases, alternative forms of scheduling (e.g. block placements; later start dates) are necessary based on agency availability, progress through the Specialist curriculum, or may be requested by the student for personal reasons. Such alternate scheduling will be considered and approved on a case-by-case basis.

Evaluation and Grading:

Practicum courses are graded Credit/No Credit. Both the Field Instructor (and Task Supervisor where applicable) and student complete an online Quarterly Evaluation which reflects the degree of progress in obtaining mastery of Competencies and Behaviors as indicated in the Learning Contract. The total numbers of hours completed in placement by the student is also indicated on the Evaluation. Both student and Field Instructor must sign the Evaluation to indicate the completion of their portion of the document and a joint review of its content. After a satisfactory review of the Evaluation, the student's Field Faculty then approves the Evaluation and assigns the final grade to the student. Students or instructors may be asked for clarifications or additions to the Evaluation, if needed for satisfactory completion.

Please note that if a grade of No Credit is given in any quarter, the student will be required to meet with their Field Faculty member and the Director of Field Education to discuss the circumstances that led to the failing grade. The student's continuation in the MSW Program may be reviewed by the program's Professional Standards Committee. Please also refer to the Policy on Dismissal from Field Placement in your Field Manual for more details.

Student Responsibilities:

Attendance and Participation

NOTE: Participation in practicum activities is expected to be primarily in-person and on-site. However, service delivery modality will be determined by the site and may be dependent on extraneous circumstances (e.g., COVID-19 safety protocols). Students are expected to follow all safety and health protocols set by the agency. If there is a significant change in service delivery modality throughout the course of the practicum, it is the student's responsibility to inform Field Faculty.

Students are expected to attend practicum regularly and reliably according to the schedule agreed upon with the Field Instructor. Students are not required to attend practicum on University holidays, but must make up any missed hours. Students do not receive credit for hours when holidays fall on a scheduled practicum day unless they complete their usual hours at the practicum placement. Any hours missed due to University holiday or inclement weather must be made up. Students are expected to fully participate in practicum learning experiences and practicum supervision. A total of 17 credits and 680 hours are required for the Specialization Practicum.

Integration of Class and Practicum Learning

Students are required to provide copies of their course syllabi to the Field Instructor(s) by the third week of each quarter. Students are responsible for including discussion of course concepts during practicum supervision, relating practicum experiences to concepts addressed in class discussions, and completion of course assignments related to practicum learning.

Learning Contract

The student will work with their Field Instructor(s) and Task Supervisor(s) in developing appropriate learning activities that meet the expectations of the Competencies and Behaviors for a specialist MSW Practicum. The Learning Contract is due no later than the third week after the student starts the placement, unless other arrangements are made. Students and Field Instructors should continue to review and monitor the Learning Contract throughout the Field placement and revise as needed, usually through a section of the Quarterly Evaluation intended for that purpose. Field Faculty review and approve all Learning Contracts.

Immunizations

All Health Sciences Immunization Program (HSIP) vaccination and testing requirements must be met in order to receive credit for the T SOCW 525 course. Any student who is not compliant with immunization requirements will not be authorized to begin MSW Practicum hours. Falling out of compliance with HSIP requirements may result in the suspension of a field placement until compliance is restored. Consult your CastleBranch account to insure you comply and to anticipate upcoming compliance activities. If you have questions about HSIP requirements or need assistance navigating CastleBranch, please reach out to HSIP directly at myshots@uw.edu.

Completion of MSW Exit Survey: Students are required to complete the MSW Exit Survey as they complete their last quarter of practicum. Students will receive the link sent via email from Field Faculty during their last quarter of their specialization practicum. No final field grade will be issued without completion of the MSW Exit Survey.

Field Faculty Responsibilities:

Student Placement in Practicum Sites

A Field Faculty member will work with students individually to locate a practicum site that is appropriate to their learning needs and commensurate with their skill level at the time of placement. Students may not locate practicum placements on their own without express permission from the Field Faculty to do so. **The key to successful placement is close communication between student and Field Faculty.**

Agency Site Visits

A Field Faculty member will visit the agency at least twice during the course of the practicum and meet with the Field Instructor(s), Task Supervisor(s) where applicable, and the student. Exceptions to this visit schedule will be made on an as-needed basis. Visits may be conducted either in-person, or via online, remote technology.

Provide Guidance

The Field Faculty will provide information regarding UWT Social Work Division expectations of the practicum; the integration of classroom assignments and help the student and FI consider ways in which the student can integrate theory and practice to reach required competencies. They are also available to assist with the development of the Learning Contract and/or

Evaluation as needed. The Field Faculty will respond to questions from students, Field Instructor(s) or Task Supervisor(s) about the UWT Social Work educational programs and policies in a timely manner.

Participate in Evaluation Process

Upon the completion of the Learning Contract and quarterly Evaluations, the Field Faculty will review the documents and provide approval as appropriate.

UW Tacoma Campus Statements

- **Religious Accommodations:** Washington state law requires that UW develop a policy for accommodation of student absences or significant hardship due to reasons of faith or conscience, or for organized religious activities. The UW's policy, including more information about how to request an accommodation, is available at Religious Accommodations Policy (<https://registrar.washington.edu/staffandfaculty/religious-accommodations-policy/>). Accommodations must be requested within the first two weeks of this course using the Religious Accommodations Request form (<https://registrar.washington.edu/students/religious-accommodations-request/>)
- **Title IX Syllabus Statement:** UW, through numerous policies (<https://www.washington.edu/titleix/policies/>), prohibits sex- and gender-based violence and harassment, and we expect students, faculty, and staff to act professionally and respectfully in all work, learning, and research environments. For support, resources, and reporting options related to sex- and gender-based violence or harassment, visit UW Title IX's webpage (<https://www.washington.edu/titleix/>), specifically the Know Your Rights & Resources (available via the Support & Help page).

If you disclose information to me about sex- or gender-based violence or harassment, I will connect you (or the person who experienced the conduct) to confidential and/or private resources who can best provide support and options. Please note that some senior leaders and other specified employees have been identified as "Officials Required to Report" (<https://www.washington.edu/titleix/title-ix-officials-required-to-report/>). If an Official Required to Report learns of possible sex- or gender-based violence or harassment, they are required to call SafeCampus and report all the details they have in order to ensure that the person who experienced harm is offered support and reporting options.

- **COVID-19 Statements**
 - *Face Covering Policy:* Masks are "recommended" rather than "required" while transmission levels remain at "low". For updates on current status, the updated policy is now on the EHS website at <https://www.ehs.washington.edu/covid-19-prevention-and-response/face-covering-policy>
 - *Eating & Drinking:* There are no restrictions or enhanced measures required for eating and drinking at this time. Best practice guidance will be included in the University's COVID-19 Prevention Plan. If community risk levels increase in the future, restrictions

and enhanced measures may be reinstated.

<https://www.ehs.washington.edu/system/files/resources/eating-space-guidance.pdf>

- *Building Access*: Buildings will be open during your class hours, and certain entrances can be accessed with your Husky card. Please find more information at <https://www.tacoma.uw.edu/fa/safety/building-access>
- *Coronavirus Related Student Resources*: For up to date resources related to support during these times, go to <https://www.washington.edu/coronavirus/>
- *COVID-19 Exposure*: If you think you have COVID-19 or have come in contact with someone who has been diagnosed with COVID-19:
 - Stay home, even if you aren't experiencing symptoms, if:
 - You are not current on the CDC recommended COVID-19 vaccination and booster doses, and/or
 - You have not tested positive for COVID-19 in the past 90 days.

Policies and Expectations

- **Academic Calendar** - Dates for course drop, withdrawal, and instruction.
- **Academic Honesty** - Expectations, policies, and consequences.
- **Classroom Civility** - All classes and activities on the UWT campus are about learning, which often involves the exchange of ideas. However, the tone and intention behind that exchange are important. Civility, politeness, reasonableness, and willingness to listen to others are expected at all times – even when passions run high. Behaviors must support learning, understanding, and scholarship.
- **SafeCampus** - Preventing violence is a shared responsibility in which everyone at the UW plays apart. The SafeCampus website (washington.edu/safecampus) provides information on counseling and safety resources, University policies, and violence reporting requirements help us maintain a safe personal, work and learning environment.
- **Email Policy** - "UW Tacoma employees and students are issued a University of Washington NetID and email account. University email communications will only be sent to their University of Washington email address. Faculty and staff are not obligated to respond to students using non-UW email accounts. Those who choose to forward their emails to a non-UW email address do so at their own risk. The University is not responsible for any difficulties that may occur in the proper or timely transmission or access of email forwarded to any email address, and any such problems will not absolve employees and students of their responsibility to know and comply with the content of electronic university communications sent to UW email addresses." *For the complete Policy Statement, follow the link in the heading title.*

Resources

- **Disability Resources for Students** - Your experience in this class is important to me. If you have already established accommodations with Disability Resources for Students (DRS), please communicate your approved accommodations to me at your earliest convenience so we can discuss your needs in this course. If you have not yet established services through DRS, but have

a temporary health condition or permanent disability that requires accommodations (conditions include but not limited to; mental health, attention-related, learning, vision, hearing, physical or health impacts), you are welcome to contact DRS at 253-692-4508 or drs@uw.edu or <https://www.tacoma.uw.edu/drs>. DRS offers resources and coordinates reasonable accommodations for students with disabilities and/or temporary health conditions. Reasonable accommodations are established through an interactive process between you, your instructor(s) and DRS. It is the policy and practice of the University of Washington Tacoma to create inclusive and accessible learning environments consistent with federal and state law.
