Accident / Incident Reports

Case #	Summary	Supervisor Response	Committee Action
2023-02-003	UWT: School of Engineering and Technology, Employee tested positive for COVID and suspects workplace transmission.	na	na
2023-02-003	UWT: TLC Quantitative & Admin, Student employee cleaned tables with Oxivir 1 wipes, then found chemical burns on hands the next day.	Will follow up with Stanley. Complete corrective action date.	Stanley well informed on these wipes – knows the issues have been infrequent since 2020.
2023-02-109	Employee slipped and fell on icy overpass, bruising and straining arm.	Recommended facilities action to proactively de-ice.	Not needed. De-icing protocol includes this area already.

U-Wide Meeting Report (Stephen): Fire & Life Safety, evacuation drills, Sean explained how MAT does it by office rather than building. Susan says other schools are moving toward Emergency Preparedness for all faculty/staff. Sonia will get Scott Nelson in touch.

Emergency evac warden training:
