Course Description:

Builds skills at the micro, mezzo, and macro levels of practice, based on classroom content, Council on Social Work education competencies, and program objectives. Develops students' social work knowledge and professional identity under supervision of an experienced professional at an approved practicum site. Integrates theory with real-world practice. Credit/no-credit only.

Course Overview:

Field experience is an integral component of social work education. Practicum teaching is conducted by professional social work practitioners (Field Instructors and Task Instructors) selected by agencies and approved by University of Washington Tacoma Social Work Program field faculty. As part of the total BASW curriculum, the Practicum provides students with an opportunity for the development and enhancement of social work knowledge and skills, development of professional values and identity, and understanding and appreciation of a scientific and analytic approach to knowledge building and practice.

Field Faculty from the BASW program will: (1) visit the agency at least twice during the practicum; (2) provide information regarding university expectations of the practicum; (3) assist with the development of the educational contract and/or evaluation if requested; (4) answer questions from the Field Instructor and student about the Social Work Program's educational

programs and policies; (5) review and approve the educational contract and quarterly evaluation and submit a final grade (Credit/No Credit only).

Learning Objectives:

Course Readings:

The student should read, remain familiar with, and abide by the BASW Field Manual. The manual is available at the practicum website: <https://www.tacoma.uw.edu/swci/basw-field-education>. Students are expected to be familiar with all content located at the website as well.

Generalist Practicum Schedule:

BASW Practicum students complete eleven credits of TSOCWF 415 for a total of 440 hours. Generally, these credits and hours will be completed as follows:

Autumn quarter of Senior year: 4 credits
 Winter quarter of Senior year: 3 credits
 Spring quarter of Senior year: 4 credits

Evaluation and Grading:

Practicum courses are graded Credit/No Credit. Both the Field Instructor (and Task Supervisor where applicable) and student complete an online Quarterly Evaluation which reflects the degree of achievement in obtaining mastery of Competencies and Behaviors as indicated in the Learning Contract. The total numbers of hours completed in placement by the student is also indicated on the Evaluation. Both student and Field Instructor must sign the Evaluation to indicate the completion of their portion of the document and a joint review of its content. After a satisfactory review of the Evaluation, the student's Field Faculty then approves the Evaluation and assigns the final grade to the student. Students or instructors may be asked for clarifications or additions to the Evaluation, if needed for satisfactory completion.

Please note that if a grade of No Credit is given in any quarter, the student's continuation in the BASW Program may be reviewed by the program's Professional Standards Committee. Please also refer to the Policy on Dismissal from Field Placement in your Field Manual for more details.

Student Responsibilities

Attendance and Participation

Students are expected to attend practicum regularly and reliably according to the schedule agreed upon with the Field Instructor. Students do not receive credit for hours when holidays fall on a scheduled practicum day unless they complete their usual hours at the practicum placement. Any hours missed due to University holiday or inclement weather must be made up. Students are expected to fully participate in practicum learning experiences and practicum supervision.

A note regarding hours: For BASW students, about 150 hours is expected per quarter. All deviations to this plan need to be proposed by the student and approved by the Field Instructor and UWT Field Faculty. To ensure a comprehensive evaluation, a student must accrue at least 80 hours in any given quarter to be eligible to receive credit. An exception is made for the last quarter of a student's placement if they have less than 80 hours to complete their total practicum hours.

Integration of Class and Practicum Learning

Students are required to provide copies of their course syllabi to the Field Instructor(s) by the third week of each quarter. Students are responsible for including discussion of course concepts during practicum supervision, relating practicum experiences to concepts addressed in class discussions, and completion of course assignments related to practicum learning.

Learning Contract

The student will work with their Field Instructor(s) and Task Instructor(s) in developing appropriate learning activities that meet the expectations of the Core Competencies and Practice Behaviors for a BASW Practicum. The Learning Contract is due no later than the third week after the student starts the placement, unless other arrangements are made. Students and Field Instructors should continue to review and monitor the Learning Contract throughout the Field placement and revise as needed, usually through a section of the Quarterly Evaluation intended for that purpose. Field Faculty review and approve all Learning Contracts.

Immunizations

All Health Sciences Immunization Program (HSIP) immunization requirements must be met in order to receive credit for the TSOCWF 415 course. Any student who is not compliant with immunization requirements will not be authorized to begin BASW Practicum hours. Falling out of compliance with HSIP requirements may result in the suspension of a field placement until compliance is restored. Consult your CastleBranch account to insure you are in compliance.

Field Faculty Responsibilities

Student Placement in Practicum Sites

A Field Faculty member will work with students individually to locate a practicum site that is appropriate to their learning needs and commensurate with their skill level at the time of placement. Students **may not** locate practicum placements on their own without express permission from the Field Faculty to do so. **The key to successful placement is close communication between student and Field Faculty.**

Agency Site Visits

A Field Faculty member will visit the agency at least twice during the course of the practicum and meet with the Field Instructor(s), Task Supervisor(s) where applicable, and the student. Exceptions to this visit schedule will be made on an as-needed basis.

Provide Guidance

The Field Faculty will provide information regarding UWT Social Work Program expectations of the practicum, facilitate integration of classroom and field experiences and assist with the development of the Learning Contract and/or Evaluation as needed. The Field Faculty will respond to questions from students, Field Instructor(s) or Task Supervisor(s) about the UWT Social Work educational programs and policies in a timely manner.

Participate in Evaluation Process

Upon the completion of the Learning Contract and quarterly Evaluations, the Field Faculty will review the documents and provide approval as appropriate.

UW Tacoma Campus Statements

- **Religious Accommodations:** Washington state law requires that UW develop a policy for accommodation of student absences or significant hardship due to reasons of faith or conscience, or for organized religious activities. The UW's policy, including more information about how to request an accommodation, is available at Religious Accommodations Policy (<https://registrar.washington.edu/staffandfaculty/religious-accommodations-policy/>). Accommodations must be requested within the first two weeks of this course using the Religious Accommodations Request form (<https://registrar.washington.edu/students/religious-accommodations-request/>)
- **Title IX Syllabus Statement:** UW, through numerous policies (<https://www.washington.edu/titleix/policies/>), prohibits sex- and gender-based violence and harassment, and we expect students, faculty, and staff to act professionally and respectfully in all work, learning, and research environments. For support, resources, and reporting options related to sex- and gender-based violence or harassment, visit UW Title IX's webpage (<https://www.washington.edu/titleix/>), specifically the Know Your Rights & Resources (available via the Support & Help page).

If you disclose information to me about sex- or gender-based violence or harassment, I will connect you (or the person who experienced the conduct) to confidential and/or private resources who can best provide support and options. Please note that some senior leaders and other specified employees have been identified as "Officials Required to Report"

(<https://www.washington.edu/titleix/title-ix-officials-required-to-report/>). If an Official Required to Report learns of possible sex- or gender-based violence or harassment, they are required to call SafeCampus and report all the details they have in order to ensure that the person who experienced harm is offered support and reporting options.

- **COVID-19 Statements**

- *Face Covering Policy*: Masks are “recommended” rather than “required” while transmission levels remain at “low”. For updates on current status, the updated policy is now on the EHS website at <https://www.ehs.washington.edu/covid-19-prevention-and-response/face-covering-policy>
- *Eating & Drinking*: There are no restrictions or enhanced measures required for eating and drinking at this time. Best practice guidance will be included in the University’s COVID-19 Prevention Plan. If community risk levels increase in the future, restrictions and enhanced measures may be reinstated.
<https://www.ehs.washington.edu/system/files/resources/eating-space-guidance.pdf>
- *Building Access*: Buildings will be open during your class hours, and certain entrances can be accessed with your Husky card. Please find more information at <https://www.tacoma.uw.edu/fa/safety/building-access>
- *Coronavirus Related Student Resources*: For up to date resources related to support during these times, go to <https://www.washington.edu/coronavirus/>
- *COVID-19 Exposure*: If you think you have COVID-19 or have come in contact with someone who has been diagnosed with COVID-19:
 - Stay home, even if you aren’t experiencing symptoms, if:
 - You are not current on the CDC recommended COVID-19 vaccination and booster doses, and/or
 - You have not tested positive for COVID-19 in the past 90 days.

Policies and Expectations

- **Academic Calendar** - Dates for course drop, withdrawal, and instruction.
- **Academic Honesty** - Expectations, policies, and consequences.
- **Classroom Civility** - All classes and activities on the UWT campus are about learning, which often involves the exchange of ideas. However, the tone and intention behind that exchange are important. Civility, politeness, reasonableness, and willingness to listen to others are expected at all times – even when passions run high. Behaviors must support learning, understanding, and scholarship.
- **SafeCampus** - Preventing violence is a shared responsibility in which everyone at the UW plays apart. The SafeCampus website ([washington.edu/safecampus](https://www.washington.edu/safecampus)) provides information on counseling and safety resources, University policies, and violence reporting requirements help us maintain a safe personal, work and learning environment.
- **Email Policy** - "UW Tacoma employees and students are issued a University of Washington NetID and email account. University email communications will only be sent to their University of Washington email address. Faculty and staff are not obligated to respond to students using

non-UW email accounts. Those who choose to forward their emails to a non-UW email address do so at their own risk. The University is not responsible for any difficulties that may occur in the proper or timely transmission or access of email forwarded to any email address, and any such problems will not absolve employees and students of their responsibility to know and comply with the content of electronic university communications sent to UW email addresses." *For the complete Policy Statement, follow the link in the heading title.*

Resources

- **Disability Resources for Students** - Your experience in this class is important to me. If you have already established accommodations with Disability Resources for Students (DRS), please communicate your approved accommodations to me at your earliest convenience so we can discuss your needs in this course. If you have not yet established services through DRS, but have a temporary health condition or permanent disability that requires accommodations (conditions include but not limited to; mental health, attention-related, learning, vision, hearing, physical or health impacts), you are welcome to contact DRS at 253-692-4508 or drsuwt@uw.edu or <https://www.tacoma.uw.edu/drs>. DRS offers resources and coordinates reasonable accommodations for students with disabilities and/or temporary health conditions. Reasonable accommodations are established through an interactive process between you, your instructor(s) and DRS. It is the policy and practice of the University of Washington Tacoma to create inclusive and accessible learning environments consistent with federal and state law.
- **Library** - The UW Tacoma Library provides services and tools to support students at all levels of expertise. You can:
