UPDATED: JANUARY 2025**

Note: all applicants should submit their materials using our online HUB located here: <https://www.tacoma.uw.edu/soe/hiring-now> please do not send materials to the Dean, faculty directors, or others outside of this process. An Office of the Dean staff will follow up individually with individual applicants if we need additional information.

Pursuant to the requirements set forth by UW's Office of Academic Personnel & Faculty and UW Faculty Code & Governance, all prospective part-time lecturers and teaching associates/field supervisors are required to submit materials for review by a school's or unit's Elected Faculty Council and/or voting-eligible full-time faculty before they are advanced for further consideration for these positions. In Phase 1 of our process, a favorable vote among the voting faculty is required before an applicant is eligible for consideration. However, please keep in mind that final appointments are based on availability of resources and program enrollments and must be approved by the Dean of Education and Executive Vice Chancellor for Academic Affairs.

Note: Qualified and fully approved applicants will be offered opportunities as they become available. However, please note that we may not always have supervision or teaching opportunities available, even for approved applicants.
