1. Introduction

2. Updates
   2.1 Three laptop carts and software for student checkout laptops are available. Fall Quarter (until Oct 31) = 7 courses + 1 events = 24 classes
   2.2 UW WiFi for the University – Y Building project is completed (funded by STFC)
   2.3 The UW Privacy Office gave the Personal Data Processing Agreement (PDPA) Presentation on our campus on Thursday, 07/18. The session was not recorded as the UW Seattle presenters asked us not to (35 people attended including several CTC members)
   2.4 BHS-107 new 2-way video distance learning classroom demonstration was held on 10/04 Friday (14 people attended including several CTC members)
   2.5 Summer Classroom Renovations (since Spring 2019, including WG-210)
       3 = fully renovated, 3 = AV only, 1 = camera upgrade only, and 1 = Computer classroom (60 PCs)

3. UW Tacoma Cybersecurity Awareness Training (Mandatory)
   3.1 Australian National University Public Report on the Breach of Administrative Systems (attached)
   3.2 Last year’s (November 2018 to early Sept 2019) cybersecurity training completion rate:

   3.3 CTC members agreed to present to their own faculty or departmental meetings for their colleagues to take the training modules in the next academic year (2019 – 2020)
   3.4 The attached Cybersecurity Awareness slides are for reference only (PPT file attached)
   3.5 If appropriate, an IT staff member can attend your faculty meeting to support your announcement

4. Potential Technology Topics for CTC (with the following suggestions are from last years’ CTC)
   4.1 What technology resources will be needed for the various high priority programs in the academic plan? For example Psychology needs SPSS and IT has already met this need.
   4.2 Show and Tell” to walk-through such apps as SLATE and Dawg Den 2.0
   4.3 Further review and discuss “instructional continuity” and “business continuity” including the use of Husky Ready - in case of wildfires, bad weather and inevitable earthquake(s).

5. Other Business
