Campus Technology Committee (CTC)
Meeting Agenda (06/04/19)
CP-103, 12:00 pm - 1:00 pm

1. Updates
   1.1 SPSS License Renewal (Forrest Tyree)
   1.2 Selected Links from UW-IT
      1.2.1 Make sure your computers at work and home are safe with [Sophos Home Premium](https://www.sophos.com/home) anti-virus software. Thanks to a new licensing agreement, you can now get the same protection that you have at work for your personal computers too — available at no cost to UW students, faculty and staff.
      1.2.2 Did you know eduroam is the safest method to connect to the UW’s network through Wi-Fi? Even better, once configured, eduroam gives you seamless connectivity at thousands of participating locations around the world. To get online with eduroam, visit the UW on-boarding site at [onboard.wifi.uw.edu](http://onboard.wifi.uw.edu)
   1.3 UW Privacy Office is invited to give the Personal Data Processing Agreement (PDPA) Presentation on our campus in July 18 (will record the session)
   1.4 New Student Orientation System (Revised: The preferred name field is now included in the Student Information Panel and in the excel report that shows all students who have registered for Orientation)
   1.5 Dawg Dollars Program on Husky Card is ending in June
   1.6 Implement SLATE (including CRM/ outreach activities) for Enrollment Services
      1.6.1 Will start in July 2019
      1.6.2 Plan to launch by 2020 Winter Quarter
   1.7 Academic Innovation Building and summer renovation projects
      1.8 Federal Way HUB (Center for higher education)
      1.8.1 This center is a collaboration of the City of Federal Way, Federal Way Public Schools, Highline Community College and UW Tacoma
      1.8.2 BHS-107 is newly renovated with 2-way video teaching facilities

2. Laptop Cart and Software for Student Checkout Laptops (Revised Procedures attached)

3. UW Tacoma Cybersecurity Awareness Training
   3.1 In our last meeting, CTC members agreed to present to their own faculty/ staff meetings to complete the Cybersecurity Awareness Online Training Modules in the next academic year
   3.2 We have prepared several slides for your reference (as per attached)
   3.3 IT staff can assist by attending your Faculty/ Departmental Meeting

4. Any Relevant Technology Topics for Next Years’ CTC (All)

5. Other Business
