**ZOOM**
Zoom is a video conferencing app that allows campus members to connect remotely when meeting in person isn’t an option. Zoom is for virtual classes, group projects, office hours, or friendly gatherings. To access your Zoom account go to [washington.zoom.us](http://washington.zoom.us) and enter your NetID and password.

**PANOPTO**
Panopto is used to record classes or assignments for you to review outside of class. You can access them through the Panopto Recordings tab in your course’s Canvas site.

**CANVAS**
Most UW Tacoma courses are set up in Canvas which offers a variety of tools to deliver course material & communication between instructors and students.

- Digital Audio Recorders
- Digital Projectors
- Digital SLR Cameras
- Digital Still Cameras
- Video cameras
- Tripods
- Headphones
- Laser Pointers
- Lighting Kits
- Microphones
- Speakers
- Transcribers

If you need basic training or assistance with your checked out media gear, please visit [the Multimedia Lab](http://the-multimedia-lab).

**ADA TECHNOLOGY**
Students with accessibility needs can use computers located in many location on campus.

For locations and services, visit: [tacoma.uw.edu/it/ada-computers](http://tacoma.uw.edu/it/ada-computers)

For other accommodation considerations, please visit Disability Resources for Students at: [tacoma.uw.edu/drusuw]

---
