POLICY

Introduction and Background Information:
The purpose of this policy is to define when and how the Exclusionary Order (hereinafter “Order”) procedure may be implemented. This policy shall not be construed to limit the authority of administrative officials to take action that may be warranted by the circumstances. An Order is issued as a means of intervention to remove disruptive persons from specific areas or the entire campus either temporarily or permanently. The University of Washington Tacoma is a diverse community of scholars, staff and students. One of the requirements of a scholarly community is to be free of disruptive, threatening and illegal behavior. The University of Washington Tacoma and its units have rules for the conduct of faculty, staff, students and invited guests while on campus, in part to provide an environment conducive to scholarly activities. With regard to faculty, staff and students, the University has in place mechanisms to enforce these rules, such as the disciplinary provisions of the University Handbook for employees and similar provisions in the University Code of Conduct, Student Code of Conduct, UW Tacoma Library Code of Conduct. There are already procedures for enforcing rules of conduct for students, faculty, staff and their guest on campus. For members of the general public, the University needs specific procedures to enforce rules of conduct and use of University grounds and facilities. This Exclusionary Order Policy, together with state statutes (e.g. WAC 478-124-10, which requires adoption of rules for the maintenance of order on campus and criminalizes certain serious and disruptive behavior) and other University policies, such as Alcohol Policy Drug Policy, Sexual Assault Policy, Weapons on Campus, provide that mechanism.
Policy Statement:

On occasion, it is necessary to remove members of the public from the University of Washington Tacoma campus, which includes all land and buildings owned or under control of the University of Washington Tacoma. The grounds of the University of Washington Tacoma are not places of unrestricted access, and it is the policy of the University to exclude persons who engage in illegal behavior or disrupt the University’s educational mission hereinafter “disruptive persons”.

Ejection from a University event, such as, a fundraiser, or from another campus area on a one time basis may not necessitate the service of an Exclusionary Order.
