Graduation rates from 2017 are 6-year for first-time in college students (2011 cohort) and 4-year for non-first time in college students (2013 cohort).
ACADEMIC RETENTION PLAN: ORGANIZING VALUES

> Retention and graduation is necessary, but not sufficient, for student success

> Retention and graduation is a responsibility of all leaders, faculty, staff, and students at UW Tacoma

> The ARP is evidence-driven, action-oriented, and student-centered

SOME INTERESTING FINDINGS (SO FAR)

- Some strong **predictors** of students at risk to leave include registration holds, withdrawals, academic warnings
- About half of students who **transfer out** of UWT go to Technical and Community Colleges
- Students leave within their **first 3-5 quarters** at UWT (transfer and drop early in tenure at UWT)
- Equity gaps are higher for Native American and Hawaiian Pacific Islander students, and students from HS with higher free lunch rates; smaller for first generation students, part-time students, gender
