Guests: Angelina Haggard and Emma Correll from UW Seattle Campus Environmental Health and Safety

Meeting called to order: 1:00 PM.

Dave Leonard welcomed the new members of the committee for the 2018-2019 term. Committee members also introduced themselves to the group.

Dave Leonard then reviewed the need for the committee to elect a chair per the regulations and the responsibilities of the chair. After discussion, the committee decided to have two co-chairs, which was then followed by a call for nominations for the positions. Both Hannah Wilson and David Hirschberg expressed interest in being co-chairs, and following a call for a vote, both were elected unanimously by the committee for the positions.

Angelina Haggard and Emma Correll then provided safety committee member training. The PowerPoint presentation used is available at: <https://www.ehs.washington.edu/system/files/resources/hscmembertraining.pdf>

The next meeting of the committee will be February 8, 2018.

Meeting adjourned at 2:00 pm
