

UW Faculty Senate Meeting

January 29, 2015

2:30 p.m. Savery 260 (UWS)

Senate had extremely light business at the January meeting and the only item of note for UWT faculty is the unanimous approval for distribution to faculty of Class C Resolution: "Resolution concerning equity, access and inclusion in hiring." This resolution can be read in full at

(Exhibit I). That said, UW Senate continues to encourage participation in discussions surrounding the faculty salary proposal and information on that proposal can be found at
