<b>TOTAL CREDITS</b>							<b>up to 189</b>

**KEY**

- TMATH 110 General Education requirements, BS ITS prerequisites, and free electives (90 credits)
- TINFO 360 Required TINFO courses & electives (75 credits)
- TGH 203 Electives = Global Honors Courses (28 credits)

**Notes:** BS Information Technology and Systems does not have elective flexibility in the junior year. This means transfer students are unable to complete full Global Honors Program requirements. However, students attending UWT for 3 - 4 years may complete requirements in the sophomore and senior years by taking Global Honors courses as general electives.
