

Hello Court 17 Applicants,

We wanted to share an update to our processes as we work through our occupancy plans for the upcoming autumn quarter. We will be following similar guidelines to the Seattle campus and will begin to send out offers at the beginning of August.

As we have stated in our previous communication, we will be accommodating changes to our occupancy that will reduce risks of illness and support health and safety measures put forth by the state. With this being the plan, we will be tentatively placing students in spaces that support a private bathroom per resident. This means that our 1 bedroom and studio spaces will house 1 student, and 2 bedroom units will house 2 students (our 2 bedroom units have 2 bathrooms). If you would like to cancel your application as a result of potentially being housed with one other roommate, please email us so that we can process a cancellation.

We understand that this means we will not be able to initially offer housing to all our applicants that applied by the priority deadline and our waitlist may be extensive. We also understand that not all requests within your applications will be able to be accommodated due to these changes.

If you are to receive an offer, you are signing with the knowledge that this plan is only temporary and this situation is very fluid. If health and safety in the community improves, and we are permitted to increase our occupancy, you may receive a roommate(s) in future quarters.

Please don't hesitate to reach out with further questions.

Thank you,

Housing Team
