

Hello Court 17 applicants,

Thank you for your continued understanding and your patience while we have developed a safe plan to welcome students into Court 17 come autumn quarter. This email is to update all applicants of rates that that will be in effect when we send out housing offers. The quarterly rate will continue to be per-person based. We will be working to assign residents to their preferred space stated on applications, but please know that these preferences are not always a guarantee.

Rates Per Resident	Quarterly Rate	Academic Year Cost
Shared 2 Bed/2 Bath <i>2 people per unit</i>	\$3,747	\$11,241
Private Studio/1 Bath <i>1 person per unit</i>	\$4,107	\$12,321
Private 1 Bed/1 Bath <i>1 person per unit</i>	\$4,665	\$13,995

As a reminder, we will be assigning 1 person to studios and 1 bedrooms, and 2 students to 2 bedroom units (as they have 2 bathrooms). There have been many questions related to roommate assignments for shared 2 bedroom spaces – if we can accommodate preferred roommate groups to these spaces, we will offer the same space to these residents. Please be aware though that not all students applied at the same time and many factors other will be in place when assigning students. This includes returning status to Court 17, distance to campus, etc.

We also have been getting questions related to studios and 1 bedrooms, and residents wanting to live with another student they have requested. For autumn quarter at minimum, we are not accommodating this. Our proposed plan is to house students with a private bathroom, and housing 2 students in studios and 1 bedrooms does not meet this requirement. If health conditions are to improve and state mandated requirements lifted in future quarters, we may begin to offer housing to students on our waitlist and accommodate roommate preferences.

Additionally, our residents will still be required to be registered for a minimum of 6 credits to remain eligible for housing.

These updates may change many of your decisions to accept or decline an offer. If you wish to cancel your application at this time, please email us to let us know. We will be moving forward with offers over the next couple weeks. If you do plan to accept an offer if you are to receive one, please take action immediately after receiving your offer. Next steps will be listed in your offer email.

Please never hesitate to reach out with questions. Although the circumstances surrounding autumn quarter have shifted, we are so excited to welcome students to court 17 and support you all in your academic endeavors.

Be well,

Housing Team
