Academic Plan for: **Date:** **Notes:**

Planning Guide	Master of Science in Computer Science and Systems	Must earn a total of 40 - 45 credits
Core Courses	**Quarter**	**Credits – Total of 15**
T CSS 598 A	Autumn term	2
T CSS 598 B	Winter term	3
T CSS 543 or T CSS 540		5
T CSS 558		5
Electives*	**Quarter**	**Credits – Total of 15-30**
1. Elective		5
2. Elective		5
3. Elective		5
4. Elective		5
5. Elective		5
6. Elective		5
Capstone or Thesis	**Quarter**	**Credits—10 credits**

TCSS 540 may count as an elective if you have completed TCSS 543

You must complete CORE courses before starting a Thesis or Capstone Project

It is *not* recommended to take 543 and 558 together.

Note—T CSS Research Seminar courses (not 598) will count for a maximum 5-credits toward graduation
