

Dear Part-Time Lecturer,

Please allow me to extend a warm welcome to you in your appointment as a Part-Time Lecturer. We are looking forward to your teaching appointment during the upcoming academic quarter. In an effort to increase your access to important information we have designed a web page specifically for you!

Thank you for your dedication to the success of our program and to our students. We appreciate all of your efforts and want you to be able to readily obtain the information you need as you prepare for the quarter and throughout your classroom and campus experience.

If you have questions about teaching at UW Tacoma please feel free to consult with your mentor, me or any of the faculty to address specific questions that you may have around pedagogy. The program staff is also available to help you navigate the campus and is happy to help you access services needed for class.

Please consult the [Information for Part-Time Lecturers](#) web page and familiarize yourself with the contents. If you would like for us to add additional resources or links to the page, please let us know.

Additionally, if you have feedback about how we can improve, I am always open to comments and suggestions. Thank you for your important contribution to our program.

Sincerely,

Diane Young, Ph.D., M.S.W.  
Director, Social Work and Criminal Justice Program
