

Teacher Performance Assessment

Student Consent Form 2019-2020

Dear Parent/Guardian:

As a Teacher Candidate in your child's classroom, I will be evaluated using the Teacher Performance Assessment (edTPA), an instrument that is that is required by the state of Washington for teacher certification. The primary purpose of this assessment is to develop a valid and reliable assessment that can measure the performance of future teachers and lead to improvement of the programs that prepare them.

Although the purpose of the assessment is to evaluate my teaching, the project will include short video recordings of lessons taught in your child's class, as well as samples of student work. In the course of taping, with your permission, your child may appear on the video recordings. If you chose not to give your permission, then your child will still participate in the classroom instruction as usual. S/He will just be seated out of camera range. Also, I will submit anonymous samples of student work as evidence of teaching practice, and that work may include some of your child's work.

The video recordings will be used solely for purposes of evaluating my instruction and for improving teacher preparation programs. The only people who see them will be teachers at the school, scorers trained by Pearson Testing, and University faculty and supervisors. The recordings will not appear on the Internet or in other public settings. Any samples of student work that I collect for this assessment will not contain the student's last name.

Sincerely,

(Teacher Candidate Signature)
