

University of Washington Tacoma Master of Science in Geospatial Technologies
Capstone Committee Formation Document

The capstone committee will consist of at least one first reader (committee chair) and one second reader. To form a capstone committee the student must complete this document and return it to the graduate program coordinator. Capstone committees must be formed no later than the end of the second week of winter quarter. Please see section 4.d of the MSGT Graduate Student Handbook for more detail about the capstone committee and section 6 of the handbook for the precise deadline for formation of the committee.

Student Information

I have met with the following faculty members and they have agreed to serve as readers on my capstone committee.

Graduate student name: _____

Student signature and date: _____
