

University of Washington Tacoma Master of Science in Geospatial Technologies
Capstone Proposal Document

Capstone proposals will not be considered complete until this document has been signed by the student's capstone committee, at least one graduate faculty, and the graduate program coordinator. This document and a copy of the student's capstone proposal must be completed and returned to the graduate program coordinator no later than the end of the second week of spring quarter (see section 6 of the MSGT Graduate Student Handbook for exact deadline).

Student and Capstone Information
