Welcome to UW Tacoma!

On behalf of the UW Tacoma Veteran and Military Resource Center, welcome back to another exciting academic year! For those military-connected students who are attending UW Tacoma for the first time, the VMRC is here to answer all of your questions related to the campus, upcoming events, VA education benefits, and anything else in between! Additionally, our campus has a PAVE chapter, or Peer Advisors for Veteran Education, who further assists the military-connected body with any concerns or questions about life on campus.

The VMRC is located in the Tioga Library Building, Room 307A. This office is open M-F from 8am – 5pm. Our VA education advisors are available for walk-in service under first come, first serve basis.

In this space, you can study, host group projects, attend events, or just relax and take in the view from the third floor. This space is dedicated to the military-connected population and their guests!

From everyone in the VMRC, we hope that you have a great academic year and we are always available to assist!

Did you know that as a UW student, you can participate in study abroad offered by any of the 3 UW campuses?

The first study abroad info session will be held on Oct 8 starting at 12:30pm in CP 206C. Here, you will learn about scholarships and how to fit study abroad into your degree program.

Join us for an evening of food and fellowship for new and returning students! Learn more about educational benefits, peer support, career networking and planning, service opportunities and more! RSVP at:
