ADDITIONAL ATTENDEES

LAND ACKNOWLEDGEMENT
We recognize that all of us at UW Tacoma learn, live, and work on or near the ancestral homeland of the Coast Salish people. In particular, we are situated on the traditional territory of the Puyallup. As people on this occupied territory, we have a responsibility to acknowledge the land, the ancestors who have cared for this land since time immemorial, and all our Indigenous connections today. We also have the responsibility to acknowledge the histories of dispossession and forced removal that have allowed for the growth and survival of this institution. In light of this history, let us take active efforts to partner with our Indigenous community members and neighbors as we continue our work together as a community of learners, leaders, and educators.
